

Bank Fees, Limits, and Conditions for International Money Transfer Services ⁱ			
No.	Type of Transaction	Remote Service Channels	Bank Branches
1. Limits for International Money Transfer Systems			
1.1.	General limits per client using the international money transfer system for sending transfers:	<p>Maximum amount per transaction: 7,000 USD or equivalent in local currency</p> <p>Maximum daily transaction amount per sender: 7,000 USD or equivalent in local currency</p> <p>Maximum transaction amount per sender per 30 calendar days: 21,000 USD or equivalent in local currency</p> <p>Maximum number of transactions per sender: No more than 10 transactions within 30 calendar days</p>	-
2. Transfers to China			
2.1.	Transfers (payments) to China UnionPay cards, issued in the People's Republic of China	Tariff: 1% (Sender is paying)	-
		<p>Limits: Maximum amount per transaction per beneficiary: 5,000 USD or equivalent in local currency</p> <p>Maximum daily transaction amount per beneficiary: 10,000 USD or equivalent in local currency</p> <p>Maximum transaction amount per calendar year: 50,000 USD or equivalent in local currency</p>	-

ⁱ When making a transfer that requires one or more currency exchanges, we will need to exchange the Sender's currency into the Beneficiary's currency. To do this, we apply the exchange rate set in our International Money Transfer system on the day of the transfer. You can check our daily rates and fees before confirming the transfer. The fee and exchange rate will be displayed on the transfer screen and will also appear in the transaction history.
